

RECRUITMENT & ADMISSIONS

The UNIVERSITY of OKLAHOMA HEALTH SCIENCES

January – March 2025 Updates | Bulletin 003 – March 7, 2025

Health Sciences Recruitment & Admissions

- Pending the Oklahoma State Regents for Higher Education (OSRHE) approval starting June 2025, Health Sciences application and processing fees have been restructured:
 - Applicants utilizing a Central Application Service (CAS) application will only pay the CAS application fee. There will be no additional fee to complete the university's supplemental application, ApplyHSC.
 - Applicants applying to a program that does not utilize a CAS application will pay only the ApplyHSC application fee, which will be \$75.
 - Processing fees will be eliminated.
- Save the Date! 48th Advisors' Symposium | Friday, September 26, 2025 | OU Health Campus

College of Allied Health

College of Dentistry

- *Program Modification: The SAT/ACT requirement for application and admission has been removed from the Bachelor of Science in Dental Hygiene program. This will impact applicants seeking enrollment for August 2026 and beyond.

Fran & Earl Ziegler College of Nursing

College of Medicine
